An Evening With Silk Sonic

Come get tickets to see the Grammy winning collaboration band, they're going to be on tour in 2024 and it will be the last time in a while that this band gets to rock out with each other.

We are beyond excited to be able to be holding this residency tour at Dolby Live at Park MGM in Las Vegas, Nevada. Dolby Live is an indoor amphitheater on the grounds of the Park MGM casino hotel in Paradise, Nevada. Opening in December 2016, the theater primarily hosts concerts and residencies and is the second-largest theater on the Las Vegas Strip. The theater sits adjacent to the T-Mobile Arena and Toshiba Plaza.
